

# Skilled Migration Occupation Lists Review

## Traffic Light Bulletin – March 2020 Update

For consultation only. **This does not represent a decision of Government.**

**Please note:** This Traffic Light Bulletin contains **all** occupations flagged for a change to their status and/or recommended for a salary caveat. If an occupation does not appear on the Traffic Light Bulletin then no change is proposed to the current status of that occupation. Stakeholders may make a submission in relation to any occupation, even if no change is proposed at this time. If you are satisfied with the current status you should not feel the need to make a submission.
